

Saint Anne Catholic Church Safety and Security Guide

Severe Weather

Get In:

- Stay Away from doors, windows & exterior walls.
- Avoid using the CYM trailer as a high-wind storm shelter.

Get Down:

- Go to the lowest floor possible for high-wind situations.
- Take cover if possible.

Medical Emergency

Get Help:

- Call 911, meet & guide EMS to victim.
- If in the church, alert ushers.

Give Help:

- Render first aid according to your training & ability.
- AED, first aid kit & wheelchairs are available in Church Narthex.

Fire

Evacuate First:

- Sound the alarm, evacuate, gather in a grassy area, upwind if possible.
- Determine if anyone is left in the building, notify fire fighters.
- Keep parking lots & streets clear for arriving emergency vehicles.
- Only use extinguishers to fight very small fires or to evacuate.

Call for Help:

- Call 911 once in a safe location.

Active Threat

Run:

- Evacuate, leave belongings behind, assist others, keep hands visible.
- Call 911 once in a safe location.

Hide:

- Take shelter away from the threat, barricade/lockdown doors.
- Silence phone, remain out of sight.

Fight:

- As a last resort, attack the threat.
- Use chairs, books, extinguishers, etc.
